

## *Camping regulations for a safety stay*

### **BEFORE YOUR STAY:**

**Thank you to pay the totality of the stay before your arrival**

- Be sure to signal the entire number of participants with their names, surnames and dates of birth
- Indicate the registration number of your vehicle by email or by phone at the reception
- For optimum hygiene condition, the cleaning of the cottage will be done in two times:  
1) one regular cleaning  
2) one purification with a certified product
- With this situation we are not able to make your bed before your arrival. That's why if you took this option the amount will be refunded.

### **DURING YOUR STAY:**

The reception:

- The arrival is provided from 4 pm to make sure that our cleaning team has time to clean and purify everything. Thanks to respect the schedules.
- One person per family can enter in the reception to do the entrance formalities.
- An hydro alcoholic gel distributor is installed in the entrance
- A way of circulation is materialised (one entrance, one exit)
- Wearing the mask is compulsory at the reception
- A 200 euros deposit will be asked (only by CB)
- The wristbands (compulsory wear) and the camping map will be given to you by the receptionist
- The keys will be inside the cottage
- For all your requests, please contact the reception by phone, by mail or by using the mobile application Yelloh Village
